

THE NANOTECHNOLOGY OF GPM FUEL TABS CAN BE USED IN

- ★ Agriculture machinery and tractors
- ★ construction machine equipment
- ★ Tree and grass trimmers
- ★ Mining equipment and machinery
- ★ Forestry equipment and machinery
- ★ Internal combustion engines
- ★ Domestic LP Gas

BENEFITS OF USING GPM FUEL TABS

- ★ Reduces 85% of polluting emissions
- ★ You save fuel. you get higher performance, more power and speed.
- ★ It is completely safe, it takes care and cleans the engine
- ★ You can use REGULAR GAS instead of premium
- ★ Lowers machinery maintenance costs
- ★ Increases engine horsepower
- ★ Protects against carbon deposits and residues

NOTES

- To dose gasoline, the first time, it must be with a full tank load and double dose
- In diesel, 1 tablet for 50 gal190 liters.
- To check the performance and savings it is suggested to take a log.
- For stationary tanks, it is provided technical advice
